**PRELIMINARY AMENDMENT**

The Assistant Commissioner  
for Patents and Trademarks  
Washington, D.C. 20231

Dear Sir:

**AMENDMENT**

**IN THE CLAIMS:**

Please amend claims 1 and 8 by substituting pending claims 1 and 8 with the following Amended claims 1 and 8, please add the following New claims 12-56, and please cancel claims 2-7 and 9-11, without prejudice or disclaimer.

1. (Amended) A method for interchanging documents between a sender computer associated with a sending party, a server, and a receiver computer associated with a receiving party, comprising:

selecting the receiving party as an intended recipient of a document, wherein the receiving party has an identifier associated therewith;

adding a security designation to the identifier;

storing one of the documents in a sender computer storage means;

uploading the document stored in the sender computer storage means into a server storage means as an uploaded document, wherein the uploaded document is uploaded to the server storage means based upon the security designation;

issuing a notification message from the server to the intended recipient, the notification message indicating that the uploaded document is available in the server storage means; and
